CIRCULAR

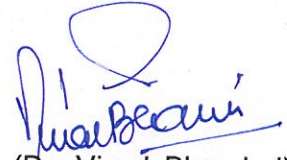

In order to regulate the removal of organs from living as well as deceased persons and transplantation of such organs in the country, an Apex National Network Organization at the centre i.e. National Organ & Tissue Transplant Organization (NOTTO) has been formed in accordance with rule 31 of the Transplantation of Human Organs and Tissue Act, 1994 (THOTA). In terms of the above cited rule, website of transplantation centers should be linked to the state or regional cum state or National Network through an online system for organ procurement, sharing and transplantation. Therefore, all the hospitals in the country which are performing retrieval/transplant organs and tissues are required to be registered/linked with National Network i.e. NOTTO through their State/Regional units i.e. SOTTO's and ROTTO's. The relevant sub clause 4(a) of rule 31 of the THOTA is reproduced below for information and to comply.

"The Website of the transplantation center shall be linked to State or regional cum State or National networks through Online system for organ procurement, sharing and transplantation"

In view of the above, linking of transplantation centers/hospitals with NOTTO is mandatory. In case of any one of the transplantation Hospitals/ centers have not been registered with NOTTO so far, are now required to be registered immediately without fail. ROTTO's and SOTTO's are hereby requested to ensure that all the Hospitals/Centers performing retrieval/transplant organs and tissues in their respective regions to get registered them with NOTTO.
