

Standard Operative Procedure for Organ Retrieval from Deceased Donor

On the 11-12 May, 2013 A Conference Title “Cadaveric Organ Retrieval: Towards a consensus on best surgical practices cum Operatives workshop on Kidney Transplantation” was organized jointly by

1. Institute of Renal Sciences, GRIPMER, Sir Ganga Ram Hospital &
2. Department of Surgery, PGIMER, RML Hospital, New Delhi

The Standard Operative Procedures for Organ Retrieval from deceased donors were evolved from the proceedings of this Conference. This included the presence of established & recognized Transplant surgeons, Physicians, Anesthetists & Intensive care specialists from all over the country, involved in transplant of various organs. These SOP's were compiled at the end of the conference & presented to **Dr. Jagdish Prasad, DGHS**. In October- November 2014, these SOPs were forwarded to the various professionals for rectification & further modification.

The SOPs are now put up on our website as a recommendatory note. Since technical inputs in this scientific exercise is a dynamic process, critical comments and suggestions regarding the same are always welcome.
