## IMPORTANT NOTICE

### NOTTO URGES EVERYONE NOT TO USE NOBLE CAUSE OF ORGAN OR CORNEA DONATION FOR CREATING MISLEADING CONTENT ON SOCIAL MEDIA

It has been observed that many people are using noble cause of organ and cornea donation for creating misleading content or highlighting their misbeliefs on social media.

We humbly urge everyone to refrain from creating, sharing or promoting such content. Organ and/or cornea donation is a selfless, pious act that saves and transforms lives, so the sensitive subject of donation and transplantation should not be mocked or used in a sarcastic way as this may undermine the courageous act of donation by the organ donors and their family members. Let's respect and honor the generosity of organ and cornea donors.
